

How to create a SHIRP account

Signing up for your SHIRP account is easy. Go to shirp.usask.ca.
Choose “Log In / Sign Up” from the options listed on the left.

The screenshot shows the SHIRP website homepage. The header includes the University of Saskatchewan logo and navigation links: Home, Quick Links, Resources for..., and Browse eBooks & Journals. A search bar is located on the right. The main content area features a 'Welcome to SHIRP' message, a 'Log In / Sign Up' link highlighted in a red box, and a 'New! RxTx App' section. A 'Contact Us' section is also visible on the right.

Did you know?

SHIRP offers a wide variety of popular healthcare resources and services, including:

- Pharmacy-related resources such as RxTx, RxFiles, and Natural Medicines Database
- Popular journals like JAMA, The Lancet, The BMJ, Pediatrics, and New England Journal of Medicine
- Interlibrary Loan service to access any journal article you need
- Clinical tools and apps like RxTx, DynaMed, AccessMedicine, and READ
- Databases such as CINAHL, Cochrane Library, PsycINFO, and MEDLINE

SHIRP needs your basic information, including your professional licensing number, to approve your account. You will receive a confirmation email once your account is approved.

Sign up for your **FREE** account today by **clicking here**.
